23456789	Harry Potter	24.99	P002

Book_Author Table	
Book_ISBN (FK)	Author_ID (FK)
12345678	A001
23456789	A002

Assumptions and Relationships
1. A publisher may publish many books.
2. An author may write many books.
3. A book may have one or more authors.
4. Author_ID was added because no author identifier was provided.
5. Data was normalized from 1NF into 3NF to reduce redundancy.
